

CALL FOR PAPERS

Social Sciences in Asia Monograph Series

We invite contributions to the interdisciplinary Social Sciences in Asia Monograph Series. It publishes original materials and the revised editions of special issues of the Asian Journal of Social Science. A double blind process, two experts would appraise each manuscript. The Social Sciences in Asia Monograph Series welcomes submissions from specialists on any facet of Asia, including sociologists, anthropologists, political scientists, economists, geographers, and historians.

The Social Sciences in Asia Monograph Series was the initiative of the editorial team of the Asian Journal of Social Science at the Department of Sociology, National University of Singapore. It was initially the Asian Social Science Series, with Brill and the Times Academic Press co-publishing the first three volumes between 2001 and 2002. In 2003, the Series became Social Sciences in Asia and henceforth carries only the Brill imprint.

Founded in 1683 in Leiden, Holland, Brill is an academic publisher of repute. It publishes about five hundred new manuscripts and reference books, as well as more than a hundred journals every year.
