

A Joint Seminar from the North East Medical Sociology Group and Fuse **Evaluating Complex Interventions**

Keynote speakers:

Professor David Byrne, Director of Postgraduate Studies in the
School of Applied Social Sciences at Durham University

Dr Graham Moore, DECIPHer, the Centre for the Development
and Evaluation of Complex Interventions for Public Health
Improvement, Cardiff University

Wed 22nd April 2015, 12pm- 4.30pm
City Campus, Northumbria University

The North East Medical Sociology Group and Fuse, the Centre for Translational Research in Public Health, are pleased to announce details of a joint half day seminar on the evaluation of complex health interventions. The seminar will comprise two keynote presentations, one from Professor David Byrne from Durham University and the other from Dr Graham Moore, Research Fellow from DECIPHer at Cardiff University. There will also be a panel discussion about the place of sociology and applied qualitative research in complex interventions.

Who should attend?

The conference is aimed at academics, researchers, postgraduate students and others with an interest in the critical sociology of health.

Cost of attendance

Lunch and refreshments will be provided on arrival. To cover our costs and to enable us to hold future events the following charges will be applied:

Academic staff and salaried researchers

BSA members £20; Non BSA members £25

Postgraduate researchers

Student BSA members £10; Non BSA students £15

Booking your place:

Booking is essential. Venue numbers are restricted and it is advisable to book early. Please book your place here:

<http://portal.britsoc.co.uk/public/event/eventBooking.aspx?id=EVT10409>
