

Sociology of Mental Health Study Group: Members' details

This page is intended to serve a networking function for members of the Study Group. Listed below are the contact details and areas of interest of some group members. If you would like to have your details added, please contact Angela Cotton at a.a.cotton@salford.ac.uk

Name	Area(s) of interest	Contact
Peter Morrall, Senior Lecturer in Health and Sociology, Head of Group for mental Health, Learning Disabilities and Behavioural Sciences	Madness and murder Global policies, human rights, social control and mental health Murder and society	School of Healthcare University of Leeds Leeds LS2 9UT p.a.morrall@leeds.ac.uk
Richenda Power The Open University	Mild brain injury Children with emotional and behavioural difficulties	rmp4@tutor.open.ac.uk
Suzanne Hodge, Research Associate	User involvement in mental health policy making; Social movements of mental health; Mental health of refugees and asylum seekers	Health and Community care Research Unit University of Liverpool Thompson Yates Building Brownlow Hill Liverpool L69 3GB smh@liv.ac.uk
Lydia Lewis	Education (esp. Adult community learning) and mental health; resilience and mental health; The politics of mental health and mental health services; feminist approaches to understanding mental health and distress; gender and mental health; user involvement and social movements in mental health.	School for Education Futures, University of Wolverhampton lydia.lewis@wlv.ac.uk
Joanne Jordan Lecturer, Health Sciences, QUB	Suicide Deliberate self harm	Nursing and Midwifery Research Institute School of Nursing and Midwifery 21 Stranmillis Road Belfast BT9 5AF j.e.jordan@qub.ac.uk
Jenny Secker, Professor of Mental Health, Anglia Ruskin Uni.	Qualitative methods Social inclusion, particularly but not exclusively employment User involvement in research and services Service evaluation and development (inpatient, community, all sectors)	Anglia Ruskin University j.secker@anglia.ac.uk

Nick Manning, Professor of Social Policy and Sociology, Director IMH.	Personality disorder Diagnosis Actor-network theory Social policy Therapeutic communities	Institute of Mental Health, University of Nottingham, Triumph Road, Nottingham NG7 2TU Nick.Manning@nottingham.ac.uk
Rob Hanlon	Service user involvement in mental health services, including in relation to Patient and Public Involvement Forums and the Expert Patient Programme	Messages can be forwarded via the co-convenor (e-mail address above)
Jo Warner Senior Lecturer in Social Work	Interests: sociocultural approaches to risk and mental health; gender, 'race' and ethnicity in relation to risk and mental health.	School of Social Policy, Sociology and Social Research University of Kent Bridge Wardens' College The Historic Dockyard Chatham, Kent, ME4 4TE j.warner@kent.ac.uk
Maureen Deacon Professor of CPD in Health Care	Ethnographic and ethnomethodological approaches in examining different aspects of mental health service provision. PhD: an ethnography of acute mental health nursing.	University of Chester Department of Professional Development & Allied Health Warrington Campus M.Deacon@chester.ac.uk
Julia Frost Research Fellow for the 'Third' Gap research team, in the Institute of Health Services Research	Research Associate for review of systematic reviews in forensic psychiatry; sociology of mental health.	University of Exeter Medical School Veysey Building Salmon Pool Lane julia.frost@pcmd.ac.uk
Jodie Allen	Final year M.A. (Sociology) student at Concordia University in Montreal. My concentration is in Sociology of Mental Health (Eating Disorders-Anorexia). My current research addresses bio- medical and new public health 'risk' discourses from a feminist poststructuralist standpoint. Using a discourse analytic approach, I am examining how these dominant formations discursively construct the anorectic's 'illness' experience, through an analysis of individual narratives on pro-anorexic websites.	Dept. of Sociology & Anthropology Concordia University, Montreal, QC. 5-4295 de la Roche Montreal, QC, H2J 3H8 Canada Messages can be forwarded via the co-convenor (e-mail address above)
Solange Davin	Television Studies, in particular	SolangeDavin PO Box 8444

	audience research (I have carried out several studies of viewers' responses to medical narratives in various television programmes), the public understanding of science, sociology and anthropology of health and illness, health promotion, cross-cultural issues and translation, methodology, philosophy (particularly philosophy of science), sociology and anthropology of tourism.	Nottingham NG3 3WX Messages can be forwarded via the co-convenor (e-mail address above)
Richard Murphy	Religion and mental health and the epistemological, ontological and hermeneutical questions/assumptions that underpin how mental health is constructed within societies.	Messages can be forwarded via the co-convenor (e-mail address above)
Martin Webber	social capital and mental health, mental health social work (including statutory functions) and social inclusion.	martin.webber@york.ac.uk
Anne Rogers Professor of the Sociology of Healthcare	Mental health policy; primary mental health care; theory in sociology and mental health self-management; inequalities and mental health	Anne.Rogers@Manchester.ac.uk
Susie Scott	Shyness and social phobia/social anxiety	s.scott@sussex.ac.uk
Jeff Fernandez Islington PCT, London	Race, racism and health provision	jfernandez@nhs.net
Jacqueline Davies	Risk in forensic mental health; service user perspectives on disability	City University 24 Chiswell Street London EC17 4YT j.p.davies@city.ac.uk
Ewen Speed	Services users; mental health organisations	esspeed@essex.ac.uk
Stephen Platt, Professor, University of Edinburgh	Socio-economic and socio-cultural aspects of suicidal behaviour; Evaluation of complex	RUHBC, School of Clinical Sciences and Community Health, University of Edinburgh, Teviot Place, Edinburgh EH8 9AG.

	<p>interventions for mental health improvement; Supporting practice and policy development relating to public mental health and wellbeing and suicide prevention (particularly at the community level)</p>	<p>Steve.Platt@ed.ac.uk</p>
<p>Darin Weinberg, University Lecturer, University of Cambridge</p>	<p>Mental illness, addiction, and learning disability as embodied ethnographic, ethnomethodological, and actor network theoretic phenomena. Therapeutic communities. Lay diagnosis and intervention. Rights and mental disability.</p>	<p>Department of Sociology University of Cambridge Free School Lane Cambridge, CB2 3RQ dtw23@cam.ac.uk</p>
<p>James Nazroo, Professor, University of Manchester</p>	<p>Ethnic inequalities in mental health, especially exploring the impact of economic and social inequalities in these; Mental health and well-being at older ages; Gender inequalities in mental health, especially exploring the significance of gendered roles.</p>	<p>james.nazroo@manchester.ac.uk</p>
<p>Peter Schofield</p>	<p>Mental health inequalities / ethnic differences in psychosis, primary care mental health, alternative approaches to mental health care, combining qualitative / quantitative methods in mental health research.</p>	<p>Health Services Research Dept, Institute of Psychiatry, Box 032, De Crespigny Park, London SE5 8AF peter.1.schofield@kcl.ac.uk</p>
<p>MartynPickersgill Wellcome Trust Senior Research Fellow, Centre forPopulation Health Sciences, University of Edinburgh</p>	<p>Sociology of psychiatric and psychological knowledge (especially around personality disorder and access to psychological therapies); sociology of neuroscience; history of psychiatry.</p>	<p>martyn.pickersgill@ed.ac.uk</p>
<p>Christine Hogg</p>	<p>self injury; eating distress; women and mental health; cultural issues and mental health.</p>	<p>c.hogg@salford.ac.uk Dept of Nursing Salford University</p>

	PhD focussing on lay perspectives on mental health and illness.	Peel House Albert ST. Eccles, Manchester M30 ONN
Mike Wrigley	sociocultural history of madness; cultural construction of mental distress. spirituality & mental health; mental health/illness narratives; qualitative studies	mike.wrigley@uwe.ac.uk
Kathy Kendall Lecturer in Sociology as Applied to Medicine	Human experimentation in prisons; mental health and incarceration; evaluation of the community mental health team in Winchester prison; depression; critical incident review in general practice following patient suicide; medical students' well-being, criminal lunacy in 19th century Canada; representations of 'mentally disordered' female offenders.	k.a.kendall@soton.ac.uk Division of Medical Education School of Medicine University of Southampton Boldrewood Campus Bassett Crescent East Southampton S016 7PX
Ian Shaw, Chair in Health Policy	Mental health policy; primary mental health care; theory in sociology and mental health; interprofessional and interagency activity; organisational issues	Ian.Shaw@nottingham.ac.uk School of Sociology and Social Policy, University of Nottingham Nottingham NG7 2RD, UK http://www.nottingham.ac.uk/sociology/staff-shaw.php
Jerry Tew, Senior Lecturer in Social Work, and Social Care Lead, NIMHE Mental Health Research Network, Heart of England Hub.	Social inclusion / social capital; Social aspects of recovery; Service user and carer involvement; Theoretical understandings of mental distress	Institute of Applied Social Studies at University of Birmingham. j.j.c.tew@bham.ac.uk
Angela Sweeney NIHR Post-Doctoral Research Fellow, St Georges' University of London	User controlled research, experiential knowledge, users' perspectives on and experiences of mental health services and treatments (particularly talking therapies and user controlled services), and alternatives to mainstream psychiatry. Currently undertaking a research programme on understanding and improving assessment processes for talking therapies	asweeney@sgul.ac.uk

	(APTT).	
Chris Fitch, Research Fellow, College Research Unit Royal College of Psychiatrists	Ethnographic, qualitative and participatory studies relating to mental health, social exclusion, and health inequality. Interests in 'social interventions' including befriending and non-mental health specific initiatives such as time-banks and community engagement opportunities. Additional interests include the mental health of substance users, and refugee and asylum seekers.	'The Living Project' College Research Unit Royal College of Psychiatrists Standon House 21 Mansell Street London E1 8AA cfitch@cru.rcpsych.ac.uk
Janet Holmshaw, Senior Lecturer, Postgraduate Research in Mental Health	Social inequalities in mental health and health care; social inclusion in mental health; service user and carer involvement in mental health education	School of Health and Social Sciences, Middlesex University, Archway Campus, Highgate Hill, London N19 5LW j.holmshaw@mdx.ac.uk
John Aggergaard Larsen Research manager Rethink	Anthropology and the existential phenomenology of mental health; Experience of psychosis, agency and meaning-making; The sociocultural workings of early intervention in psychosis; Identity, symbolic healing and self-transformation; Recovery as experiential process and as treatment ideology; Ethnography, repeated interviews, participatory action research and user involvement.	John.Larsen@rethink.org
Natasha Posner	Human rights; mental health of refugees & asylum seekers; contribution of telephone counselling & NGOs to mental & emotional well-being; service evaluation & development; use of mixed methods & different types of evidence; mental health primary care; mental health policy making; public mental health; user involvement in mental health service development; lay accounts of illness; social recovery; cross-cultural issues.	natasha.posner@warwick.ac.uk
Angela Cotton Senior Lecturer,	Women's mental health issues; Domestic abuse; drug and	a.a.cotton@salford.ac.uk

School of Nursing, Midwifery & Social Work University of Salford	alcohol use; gender; drug use narratives and subjectivities; uses of autoethnography in sociological inquiry.	
Peggy Watson Faculty of Social and Political Sciences University of Cambridge Free School Lane Cambridge CB2 3RQ	Health in transition after communism	pw125@cam.ac.uk
Hilary Pegg	Spirituality and mental health, Autoethnography	Messages can be forwarded via the co-convenor (e-mail address at the top of this document)
Jonathan Scourfield Professor of Social Work Cardiff University	Suicide, self-harm, social interventions.	Cardiff School of Social Sciences The Glamorgan Building King Edward VII Avenue Cardiff CF10 3WT scourfield@cf.ac.uk
Michael Drake, Lecturer in Sociology, Admissions and Disability Tutor	Stigma, cultural constructions and reconstructions of identity, service-users' self-advocacy, and the politics of experience.	Dept of Criminology and Sociological Studies, University of Hull, Cottingham Road, Hull. HU6 7RX UK m.drake@hull.ac.uk
Mark Cresswell,	Self-harm, sexual abuse, the 'survivor' movement, the relation of academia to activism	Roscoe Building, Sociology Discipline Area, School of Social Sciences, Faculty of Humanities, University of Manchester M13 9PL mark.cresswell@durham.ac.uk
Helen Spandler Reader	Mental health, inequality and social theories; Radical mental health movements/activism, social inclusion/exclusion, creative approaches to distress and activism, direct payments, therapeutic communities and self harm.	Department of Social Work University of Central Lancashire Preston PR1 2HE hspandler@uclan.ac.uk
Craig Morgan Senior Lecturer	Ethnicity, culture and psychosis; social factors in the aetiology of psychosis; social exclusion; illness behaviour; philosophy and psychiatry	Box 33, Centre for Public Mental Health, Dept. of Health Service and Population Research, Institute of Psychiatry, De Crespigny,

		London SE5 8AF craig.morgan@kcl.ac.uk
Ian Cummins	Vulnerable adults in police custody and the role of the appropriate adult under PACE.	i.d.cummins@salford.ac.uk
Cathy Lloyd Senior Lecturer	The mental health and well-being of people with long term conditions; the measurement of well-being in minority ethnic groups.	Faculty of Health & Social Care The Open University Walton Hall Milton Keynes MK7 6AA email: C.E.Lloyd@open.ac.uk
Piet Bracke, Lecturer	the social epidemiology of mental health; gender differences in depression; mental health services research; gender and the family	Dept. Sociology, Ghent University, Belgium Piet.Bracke@UGent.be
Paul Taylor, Research Student	The social reality of mental health nursing and care, security and control discourses in inpatient care settings and occupational cultures amongst mental health care workers & providers.	Best Building CBB007 Department of Social and Communication Studies University of Chester Parkgate Road Chester CH1 4BJ paul.taylor@chester.ac.uk
Dan Holman, University of Essex	Talking treatments; social class; Bourdieu; CMDs. PhD examined attitudes to psychotherapy/ counselling by social class.	djholm@essex.ac.uk
Felicity Callard, PhD Senior Research Fellow, Stakeholder Participation Theme within the NIHR Specialist Biomedical Research Centre for Mental Health, SLaM NHS Foundation Trust and the Institute of Psychiatry at King's College London	Conceptualisations of agoraphobia in the past and present; models of affect and emotion; social studies of neuroscience and behavioural genetics; public engagement with science; service user participation in mental health research	SURE (Service User Research Enterprise) PO34 Health Service & Population Research Department Institute of Psychiatry King's College London De Crespigny Park Denmark Hill London SE5 8AF Felicity.Callard@iop.kcl.ac.uk
Don Bysouth	Ethnomethodologically informed (e.g., utilising conversation analysis, discursive psychology) investigations of mental health settings and practices.	Division of Psychology School of Social Sciences Nottingham Trent University Nottingham, UK NG1 4BU don.bysouth@ntu.ac.uk
Ben Baumberg PhD research student	Trends in general mental health prevalence; The link between mental health and work; Alcohol and mental health	Centre for Analysis of Social Exclusion (CASE), London School of Economics and Political Science, Houghton Street,

		London WC2A 2AE b.p.baumberg@lse.ac.uk
Kati Turner	Service user involvement in mental health policy, service development and research.	Division of Mental Health at St George's, University of London kturner@sgul.ac.uk
Jennifer Smith, School of Social and Political Studies, University of Edinburgh,	Mental health policy and knowledge; use of indicators and identity construction in relation to mental health policy, especially in the Scottish and Australian policy contexts.	j.l.smith@ed.ac.uk
Melanie Birkhead, Postgraduate Research Student	Prison mental health care.	School of Sociology and Social Policy University of Nottingham University Park Nottingham NG7 2RD lqymb9@nottingham.ac.uk
Janet Shucksmith, Professor and Assistant Dean (Research), School of Health and Social Care, University of Teesside	Social aspects of diagnostic labelling in children and young people's mental health; shifts in the state's interest in promoting CYP mental health through schools; connectivity between CAMHS and tier 1 and 2 services delivered by non mental health professionals.	Health and Social Care Institute Parkside West University of Teesside Middlesbrough TS1 3BA j.shucksmith@tees.ac.uk
