# 21st Century Standpoints

Accessible, social and political commentary from Policy Press and the British Sociological Association.

This series showcases lively, disruptive, progressive writers who reach beyond the academy. Cosmopolitan in vision and scope, included works are based on striking ideas and robust evidence, providing a powerful platform for scholarly and public debate. Bringing pressing issues to the general reader, scholars and students these books offer standpoints to shape public conversations, moving beyond simple critique to propose better ways of understanding and living in our world.
