

BSA Environment & Health and Climate Change study groups

## Second BSA conference on Society, Environment and Human Health

Cardiff University School of Social Sciences, Cardiff, UK

Friday 27 October 2017, 10am – 4.30pm

**Keynote speaker: Dr Ben Wheeler (University of Exeter) –  
'Natural Environments, Health and Inequalities: Evidence and Policy.'**

**There are intricate interactions between the natural environment and human health and wellbeing. We invite you to this day conference, which will explore current social research, theoretical perspectives and public policy in the multi-disciplinary areas of environment and health.**
